**Introductory Comments**

This response is in reply to the Non-Final Office Action of 31 October 2005. As applicants are filing this amendment within the three month shortened statutory period, applicants believe that no extension of time fee is required. However, applicants conditionally petition for an extension of time to provide for the possibility that the need for such a petition was inadvertently overlooked. Accordingly, please charge Deposit Account No. 50-2121 for any required fee, or for any deficiency in the enclosed fee.

The applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
